### LAKE MANAGEMENT PROGRAM

Lake spraying permit has been submitted to DNR and we are awaiting approval.

Modifications to the transport barge to increase stability for safety are in progress at Aquarius.

Aquarius is preparing a new duck weed mesh for the inlet.

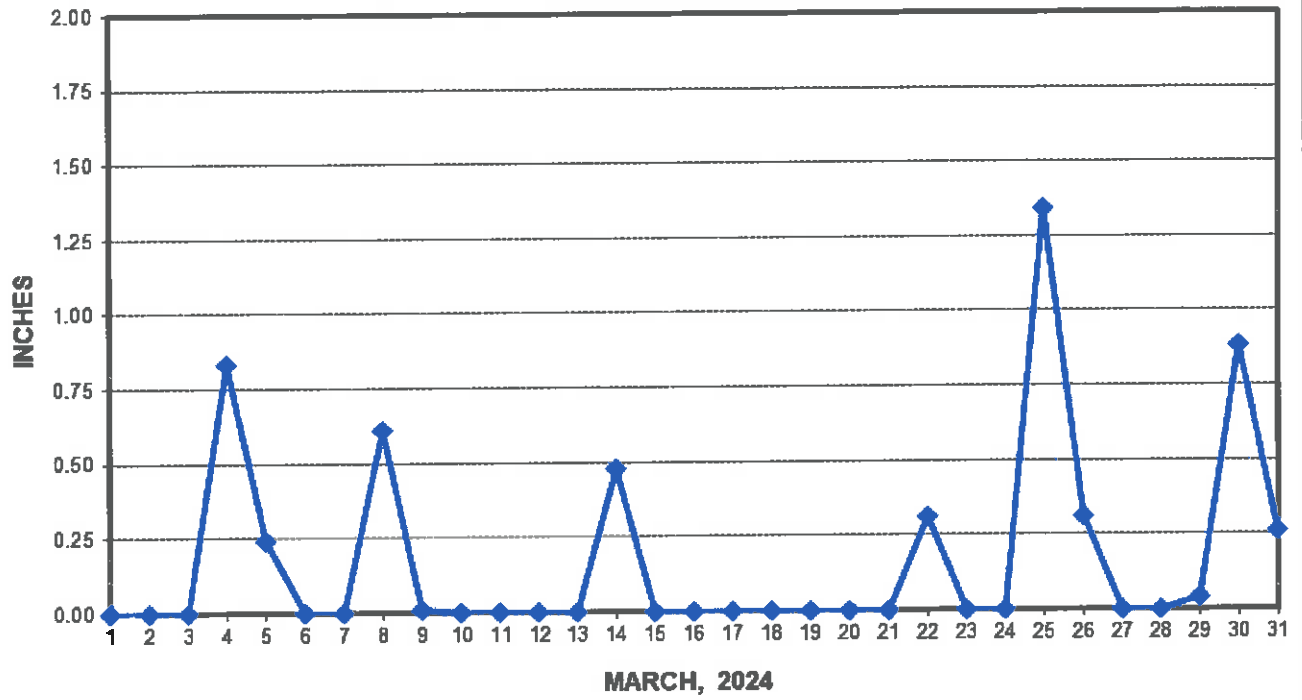

Harvester maintenance continues and is coming to an end to prepare for spring launch.

Adam has been accepted into Lake Leaders for Crew 15.

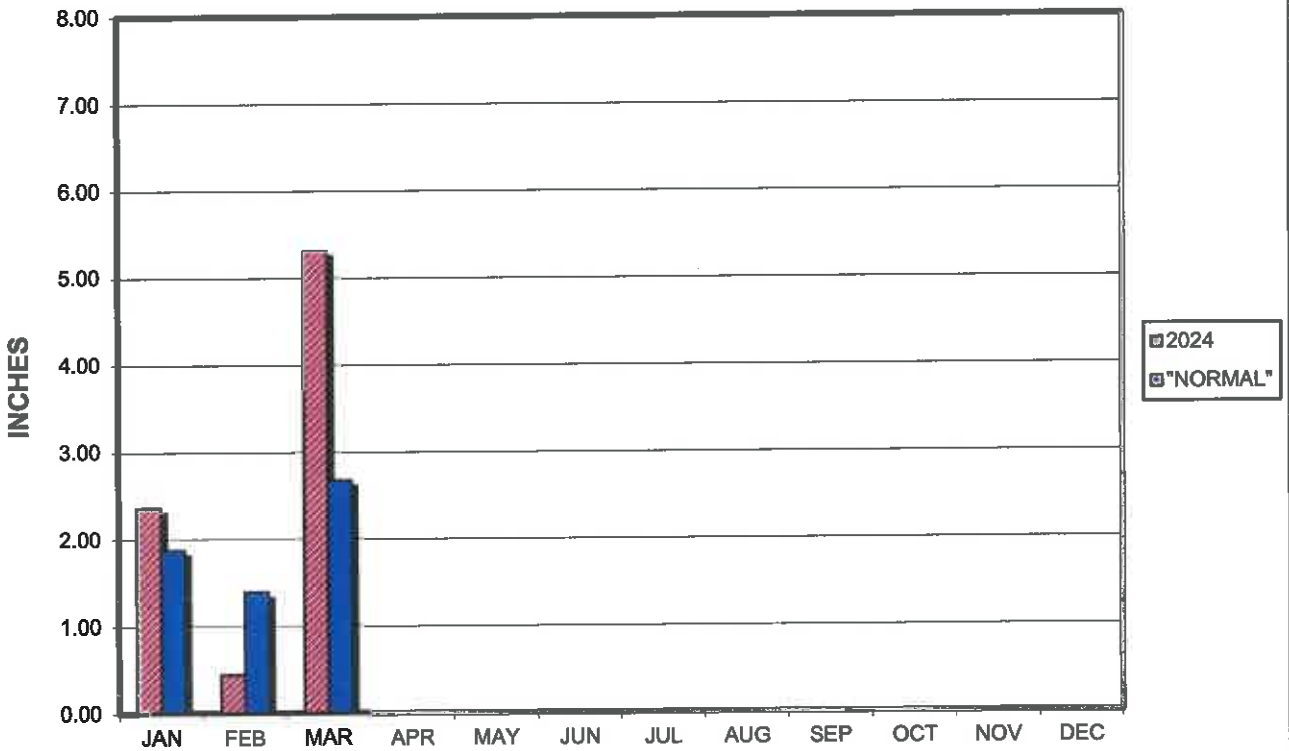

Onterra has begun preliminary work for the upcoming plant survey to be conducted this summer.
