Inlet Outlet Meeting, September 6, 2025

On Saturday, September 6th, the Delavan Lake Improvement Association will host the 4th Inlet/Outlet Meeting. This meeting will be held at Lake Lawn Resort in the Geneva Room from 9:00am -11:00am. The meeting will be recorded on Zoom for those who are not able to attend.

The DLIA began these meetings 4 years ago in order to enable lake residents to express issues and concerns regarding the water quality

within these two portions of the lake, as well as items of interest in and around Brown's Channel. We believe these sessions have provided the opportunity for an excellent dialogue between residents and representatives of the Town of Delavan, the Delavan Lake Sanitary District, the DLIA and other groups.

All are invited....even if you don't live in the Inlet or the Outlet areas of Delavan Lake.

We look forward to seeing you on September 6th.
