Advanced Notification of Treatment is required

The Department has received and reviewed your application to mechanically remove up to 3.68 acres of filamentous algae, duckweed, and watermeal in Delavan Lake in Walworth County. Please go to this web address:

<https://permits.dnr.wi.gov/water/SitePages/Permit%20Search.aspx> to search for and download the permit documents. Your permit application meets the minimum requirements by law and a permit is being issued with the following conditions.

- You shall follow the treatment plan outlined in the (Department approved management plan), permit application and permit conditions. Any changes to the permitted activity (or Department approved management plan) will require an additional permit from the Department.
- You shall follow the harvesting plan outlined on page 4, the site locations on Map 1- on page 5, the dewatering location on Map 3- on page7, and using the disposal sites on map 5- page 9 of the 2021 Aquatic Plant Management Plan Amendment for Delavan Lake, , permit application and permit conditions. Any changes to the permitted activity will require an additional permit from the Department.
- You shall not suction in less than 1 foot of water.
- The treatment notification protocols, treatment plan, and reporting protocols shall be performed in compliance with Wisconsin Administrative Code Chapter NR 109. Noncompliance with the permit can result in enforcement actions under Wis. Stat. Chapters 23, 30 and 31 and restriction of aquatic plant management activities for subsequent years under Wisconsin Administrative code chapter NR 109. The conditions and treatment plan are required to be followed to ensure efficacy of the treatment.

- You shall notify Heidi Bunk of the Department of Natural Resources at Heidi.bunk@wisconsin.gov 4 business days before operation with the date and time of proposed treatment.
- You shall have a paper or electronic copy of this decision letter and permit with the individual conducting the harvesting during all associated harvesting events.
- You shall submit an annual report of aquatic plant material removed by weight (unit) and volume (unit) and species, a detailed map of treatment areas, total acres harvested, a report detailing the non-target impacts and the species and number of fish encountered within 30 days of the last treatment to [DNR APM Program](#).

Notice

- You shall decontaminate all project equipment used in the waterbody to minimize transport of aquatic invasive species (AIS) immediately after each use on the project site. You shall utilize best management practices: <https://dnr.wi.gov/topic/Invasives/disinfection.html> You shall comply with all provisions in Wis. Stat. s. 30.07 and Wis. Adm. Code s. NR 40.07 and Manual code 9183.1 For further information, please refer to the following: <https://dnr.wi.gov/topic/invasives/classification.html>.
- The approval of an aquatic plant management permit does not represent an endorsement of the permitted activity, but represents that the applicant has complied with all criteria of this chapter.

If you have any questions or concerns, you can reach Lakes Biologist Heidi Bunk by email at Heidi.Bunk@wisconsin.gov

State of Wisconsin Department of Natural Resources for the Secretary

By: Arthur Watkinson	2/16/2021	2/17/2021
Water Resources Biologist	Date Signed	Date Mailed

Please Note:

If you believe that you have a right to challenge this decision, you should know that Wisconsin statutes and administrative rules establish time periods within which requests to review Department decisions must be filed. For judicial review of a decision pursuant to ss. 227.52 and 227.53, Wis. Stats., you have 30 days after the decision is mailed or otherwise served by the Department, to file your petition with the appropriate circuit court and serve the petition on the Department. Such a petition for judicial review shall name the Department of Natural Resources as the respondent. This notice is provided pursuant to s. 227.48(2), Wis. Stats. To request a contested case hearing pursuant to s. 227.42, Wis. Stats., you have 30 days after the decision is mailed, or otherwise served by the Department, to serve a petition for hearing on the Secretary of the Department of Natural Resources. The filing of a request for a contested case hearing is not a prerequisite for judicial review and does not extend the 30-day period for filing a petition for judicial review.
